3 John 1:2

"Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth."

Introduction

Adulthood comes with many responsibilities—career, marriage, parenting, ministry, finances, and community obligations. In the midst of these demands, many adults neglect their physical, emotional, mental, social, and spiritual health. God desires that His children live balanced lives, prospering in every area while maintaining good health and spiritual vitality.

Maintaining health and balance is not merely a personal goal; it is part of faithful stewardship of the life God has given us.

1. Understand That Your Body Is God's Temple

- We are stewards, not owners, of our health.
- Caring for our physical health is an act of worship.

Application:

- Eat responsibly.
- Exercise regularly.

- Seek medical attention when necessary.
